Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ In 2024, B&G Foods distributed an aggregate amount of \$0.7600 per share of common stock to its stockholders as follows:

\$0.1900 per share on January 30, 2024;

\$0.1900 per share on April 30, 2024;

\$0.1900 per share on July 30, 2024; and

\$0.1900 per share on October 30, 2024.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ B&G Foods has determined that all of such distributions described above will be treated as a return of capital under Section 301(c)(2) and no portion will be treated as a taxable dividend.

Generally, the portion of the distribution on the common stock that is treated as a return of capital should reduce the tax basis in the shares of common stock up to a holder's adjusted basis in the common stock, with any excess treated as capital gains pursuant to Section 301(c)(3).

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ As described above, B&G Foods has determined that all of such distributions described above will be treated as a return of capital under Section 301(c)(2) and no portion will be treated as a taxable dividend.
